

LUMEN FLEXX™ 3 WATT 3D LED TAPE LIGHT

Lumenflexx 3 watt 3D bendable LED strip is a versatile lighting solution suitable for profile ring lights, LED ring lights, and circle lights. It possesses a unique quality uncommon in regular strips - the ability to fold and flex in multiple directions, allowing for boundless lighting possibilities. These strips excel in applications requiring bends between 90 to 180 degrees and offer IP67 protection, making them adaptable for both indoor and outdoor settings. Our 3D bendable LED strip lights guarantee a distinctive and innovative lighting solution, enhancing the quality of your project.
