LUMEN FLEXX™
6 WATT OPTIC 45 DEGREE LED STRIP

Lumenflex 45-degree wall washing LED Linear Strip light, featuring a specialized 45-degree linear strip equipped with precise optic lenses, redefines spatial illumination with unparalleled finesse. This innovative fixture harnesses the power of its meticulously crafted optic lenses to emit a focused and uniform beam, skillfully bathing vertical surfaces in a radiant wash of light. Its calculated angle and specialized optics ensure an expansive coverage area, making it ideal for accentuating architectural nuances, artworks, or creating immersive ambient environments within various settings. Seamlessly combining functionality and aesthetics, this luminaire serves as an indispensable tool for designers and architects, empowering them to sculpt spaces, evoke emotions, and amplify the inherent beauty of interiors and exteriors. Whether illuminating commercial spaces or residential environments, the 45-degree wall washing LED luminaire, with its 45-degree linear strip and precision optic lens, stands as a testament to transformative and immersive lighting experiences.
