

LUMEN FLEXX™ 4.5 COB WATT LED TAPE LIGHT

The Lumenflexx 4.5 watt COB Warm Dim tape light stands out as an excellent choice for those seeking versatile lighting solutions. This linear LED tape light seamlessly transitions from a bright and invigorating 3000k color temperature to a warm and cozy 1800k. The use of Chip-on-Board (COB) technology enhances its performance, providing a uniform and efficient illumination. Whether you're looking to create an energizing ambiance or a more relaxed and intimate setting, the Lumenflexx tape light offers a flexible and dynamic lighting solution, making it a noteworthy addition to any space.
