FEATURES

Sauna IP67-Enclosed within a sealed silicone extrusion, this tape light features a matte finish, making it suitable for wet environments and capable of withstanding high temperatures. Its non-stick surface adds durability in challenging conditions.

- ✓ Outstanding Color rendering of 95+ CRI
- ✓ 0% Dark Spots
- ✓ UL Approved
- ✓ Architectural lighting
- ✓ California JA8 Title 24 approved
- ✓ 4 oz of copper in tape
- ✓ Pre-applied adhesive 3M VHB Tape light
- light for constant voltage

"The COB Linear LED ensures a seamless light output without visible dots by employing a larger luminous phosphor surface area, enhancing its overall luminosity effect. The immersion gold process effectively safeguards against color deviation while enhancing overall performance."
